# DISABLED OUTDOORSMEN USA

*2025 Recipient*

Disabled Outdoorsmen USA is a nonprofit with a simple goal: help disabled outdoorsmen get back outdoors. Whether a participant has a physical or cognitive disability, DOUSA provides hunting and fishing opportunities that would otherwise be out of reach for many of its participants.

This year, Hill Country Charity Ball is raising money to provide DOUSA with fully handicap-accessible transportation and equipment, enabling hunt participants to fully enjoy the outdoors without limitations.

*Underwriting*
